Profile Summary

Motivated MCA student with strong expertise in full-stack web development (MERN, Angular, Node.js) and machine learning integration. Skilled in building scalable, high-performance applications and leveraging AI-driven solutions to enhance functionality. Proficient in Java, Python, and modern web technologies, with a passion for creating innovative products that solve real-world problems.

Education

PES University | Master of Computer Applications (Pursuing) | CGPA: 8.79

Relevant Courses: Data Structures and Algorithms, Operating Systems, Software Engineering.

Gogte College Of Commerce | Bachelor of Computer Applications | CGPA: 8.98

Core Subjects: Python, Java, C.

Technical Skills

- **Languages:** C, Java, Python, JavaScript.
- **Frameworks:** Angular, React.js (library), Node.js, Express.js, Flask, Pandas.
- **Databases:** MySQL, MongoDB.
- **Technologies:** HTML, CSS, Tailwind CSS, REST API.
- **Tools:** Git, GitHub, Postman.

Projects

SmartRecruit – AI-powered Recruitment Automation Platform (MERN, NLP, ATS Scoring)

- Intelligent hiring system analyzing resumes and calculating ATS match score
- Auto-shortlists candidates based on ATS score + dynamic quiz evaluation
- Quiz questions seeded from database based on job description
- NLP-based resume parsing improving scoring accuracy and automation efficiency

ML Pilot (Python, Flask, Pandas, scikit-learn)

- Interactive ML tool enabling CSV upload, preprocessing, algorithm recommendation, and accuracy evaluation

Uber Clone (MERN, Google Maps API, Socket.io)

- Real-time ride booking platform with live driver tracking and JWT authentication

Sustainable Product Scanner (MERN, Gemini AI)

- Web application providing sustainability score and eco-friendly product alternatives

Courses and Certifications

- Google Data Analytics (Coursera).
- Node.js Zero to Hero (LetsUpgrade).

Achievements

- 7x Prathiba Puraskar for securing 90+ in core BCA subjects.
- Best Boy Award in BCA for academics and co-curricular activities.
- 1st Place (National Debate Competition, Goa).
- 2nd Place (National Digital Poster Competition, Hubli).

Activities

- Participated in 24-hour Hackathon organized by Init Club, PES University.
- Organized National Level Tech Fest “Evogen” (twice).
- Served as General Secretary of college organized events and CSR activities.
